EAST LONDON GOLF ACTIVATOR

2 Year Contract for Services (c.£15,000 per annum)

In the build up to the London 2012 Olympic Games and with golf given priority as competition sport in schools, a self-employed, enthusiastic and self-motivated individual is needed to deliver the 'Golf Roots' programme in East London being promoted by the Golf Foundation on behalf of the England Golf Partnership. The Activator will coordinate and deliver an agreed programme of golf activities in schools, golf facilities and community groups, working closely with a variety of local organisations. The role will prioritise 3 boroughs in East London: Tower Hamlets, Hackney and Newham.

A good knowledge of sports development principles and practices is essential, as is experience of sports development work within the education and/or local authority sectors. An understanding of the local issues and opportunities in East London is important. Applicants should be aware of the national initiatives promoted through the Youth Sport Trust and Sport England.

As the role requires delivery of activities in schools, a minimum PGA Level 1 qualification is essential as well as a commitment to attending the PGA Level 2 qualification.

Good IT skills, experience of operating Microsoft Office, and the ability to communicate effectively in a variety of circumstances are all required. An appropriate leisure or teaching qualification is desirable. Applicants should have an interest, but not necessarily a background, in golf.
